EXECUTIVE SUMMARY. ODOT 2016 DISPARITY STUDY

A. Background.....	ES-2
B. Disparity Study Research Activities	ES-2
C. Availability Results and Base Figure for ODOT Overall DBE Goal	ES-4
D. Potential Adjustments to Calculate the Overall DBE Goal.....	ES-7
E. Information to Project the Portion of the Overall Goal to be Met through Neutral Means	ES-7
F. Quantitative and Qualitative Information for the Oregon Marketplace	ES-9
G. Disparity Analysis for ODOT Contracts	ES-10
H. Recommendations.....	ES-13
I. Next Steps in the Disparity Study Process	ES-14

CHAPTER 1. INTRODUCTION

A. Study team.....	1-2
B. Federal DBE Program.....	1-2
C. Oregon MWESB Program and Other Programs.....	1-5
D. Previous Disparity Analyses Regarding ODOT Contracts.....	1-6
E. Analyses Performed in the 2016 Disparity Study and Location of Results	1-6
F. Public Participation in the 2016 Disparity Study	1-9
G. Public Comment Process for the 2016 Disparity Study Report and ODOT DBE Goal	1-10

CHAPTER 2. LEGAL FRAMEWORK

A. The Federal DBE Program.....	2-3
B. State and Local MBE/WBE Programs in the United States.....	2-5
C. Legal Standards that Race- and Gender-Conscious Programs Must Satisfy	2-5

CHAPTER 3. ODOT TRANSPORTATION CONTRACTS

A. Overview of ODOT Transportation Contracts.....	3-1
B. Collection and Analysis of Contract Data	3-3
C. Types of Work Involved in ODOT Contracts	3-5
D. Location of Businesses Performing ODOT Work	3-8

CHAPTER 4. ODOT OPERATION OF THE FEDERAL DBE PROGRAM

- A. Setting an Overall Annual DBE Goal – 49 CFR Section 26.454-1
- B. Role of Race- and Gender-Neutral Measures in Meeting the Goal4-2
- C. Types of Race- and Gender-Neutral Measures.....4-3
- D. Use of Any Race- and Gender-Conscious Measures.....4-12
- E. Statements, Reporting and Recordkeeping.....4-18
- F. Summary.....4-20

CHAPTER 5. MARKETPLACE CONDITIONS

- A. Historical Context in Oregon5-2
- B. Entry and Advancement5-5
- C. Business Ownership.....5-7
- D. Access to Capital, Bonding and Insurance5-9
- E. Success of Businesses5-15
- Summary.....5-21

CHAPTER 6. AVAILABILITY ANALYSIS

- A. Purpose of the Availability Analysis.....6-1
- B. Definitions of MBEs, WBEs, Certified DBEs, Potential DBEs and Majority-owned Businesses.....6-2
- C. Information Collected about Potentially Available Businesses6-5
- D. Businesses Included in the Availability Database6-8
- E. MBE/WBE Availability Calculations on a Contract-by-Contract Basis6-9
- F. Availability Results.....6-12
- G. Base Figure for ODOT’s Overall DBE Goal for FHWA-funded Contracts.....6-13

CHAPTER 7. UTILIZATION AND DISPARITY ANALYSIS

- A. Overview of the Utilization Analysis.....7-1
- B. Overall MBE/WBE and DBE Utilization on ODOT Contracts7-4
- C. Utilization by Racial, Ethnic and Gender Group7-6
- D. Disparity Analysis for ODOT Contracts7-10
- E. Statistical Significance of Disparity Analysis Results.....7-17

CHAPTER 8. FURTHER EXPLORATION OF MBE/WBE AND DBE UTILIZATION ON FHWA- AND STATE-FUNDED CONTRACTS

- A. Contracts With and Without DBE Contract Goals8-1
- B. Construction and Engineering Contracts8-2
- C. ODOT Contracts and Local Public Agency (LPA) Contracts8-3
- D. ODOT Regions8-4
- E. Prime Contracts and Subcontracts8-5
- F. Analysis of Potential Barriers to MBE/WBE/DBE Participation in ODOT Construction Contracts8-6
- G. Analysis of Potential Barriers to MBE/WBE/DBE Participation in ODOT Engineering-related Prime Contracts8-12
- H. ODOT Operation of the Federal DBE Program, including Overconcentration Analysis8-16
- I. Summary from Further Exploration of MBE/WBE and DBE Utilization8-23

CHAPTER 9. OVERALL ANNUAL DBE GOAL

- A. Establishing a Base Figure9-1
- B. Consideration of a Step 2 Adjustment9-2

CHAPTER 10. PORTION OF DBE GOAL FOR FHWA-FUNDED CONTRACTS TO BE MET THROUGH NEUTRAL MEANS

- A. Is there evidence of discrimination within the local transportation contracting marketplace for any racial, ethnic or gender groups?10-3
- B. What has been the agency’s past experience in meeting its overall DBE goal?10-5
- C. What has DBE participation been when ODOT has not applied DBE contract goals (or other race-conscious remedies)?10-6
- D. What is the extent and effectiveness of race- and gender-neutral measures that the agency could have in place for the next fiscal year?10-7
- E. Summary10-8

CHAPTER 11. RECOMMENDATIONS

- 1. Openness11-2
- 2. Simplicity11-4
- 3. Fairness11-5
- 4. Transparency11-9
- 5. Impact11-9
- 6. Monitored and improving11-13
- Summary11-16

APPENDIX A. DEFINITION OF TERMS A-1

APPENDIX B. LEGAL FRAMEWORK AND ANALYSIS

A. IntroductionB-1
B. U.S. Supreme Court CasesB-4
C. The Legal Framework Applied to the Federal DBE Program and State and Local
Government MBE/WBE Programs.....B-7
D. Recent Decisions Involving the Federal DBE Program and State or Local
Government MBE/WBE Programs in the Ninth CircuitB-29
E. Recent Decisions Involving the Federal DBE Program and its Implementation in
Other Jurisdictions.....B-60
F. Recent Decisions Involving State or Local Government MBE/WBE Programs in
Other Jurisdictions.....B-109
G. Recent Decisions and Authorities Involving Federal Procurement that May Impact
DBE and MBE/WBE Programs.....B-175

APPENDIX C. CONTRACT DATA COLLECTION

A. ODOT Contract and Agreement DataC-1
B. Local Certification Program Contract DataC-3
C. ODOT Bid and Proposal DataC-4
D. Characteristics of Utilized Firms and BiddersC-4
E. ODOT and External Stakeholder ReviewC-4
F. Data LimitationC-5

APPENDIX D. GENERAL APPROACH TO AVAILABILITY ANALYSIS

A. General Approach to Collecting Detailed Availability Information D-1
B. Development of the Survey Instruments D-5
C. Execution of Surveys..... D-7
D. Additional Considerations Related to Measuring Availability D-10
E. ODOT Disparity Study — Standard Availability Survey Instrument D-14

**APPENDIX E. ENTRY AND ADVANCEMENT IN THE OREGON CONSTRUCTION AND
ENGINEERING INDUSTRIES**

A. Introduction.....E-1
B. Construction Industry.....E-4
C. Engineering Industry.....E-17
D. Summary.....E-22

APPENDIX F. BUSINESS OWNERSHIP IN THE OREGON CONSTRUCTION AND ENGINEERING INDUSTRIES

A. Business Ownership Rates F-1
B. Business Ownership Regression Analysis F-6
C. Summary of Business Ownership in the Construction and Engineering Industries..... F-12

APPENDIX G. ACCESS TO CAPITAL FOR BUSINESS FORMATION AND SUCCESS

A. Homeownership and Mortgage Lending G-2
B. Access to Business Capital G-14
C. Bonding and Insurance G-31
D. Summary..... G-33

APPENDIX H. SUCCESS OF BUSINESSES IN THE OREGON CONSTRUCTION AND ENGINEERING INDUSTRIES

A. Participation in Public and Private Sector Markets H-2
B. Relative Bid Capacity H-6
C. Business Closures, Expansions and Contractions H-9
D. Business Receipts and Earnings H-15
E. Availability Survey Results Concerning Potential Barriers H-24

APPENDIX I. DESCRIPTION OF DATA SOURCES FOR MARKETPLACE ANALYSES

A. IPUMS Data..... I-1
B. Survey of Small Business Finances (SSBF)..... I-9
C. Survey of Business Owners (SBO)..... I-11
D. Home Mortgage Disclosure Act (HMDA) Data I-12

**APPENDIX J. QUALITATIVE INFORMATION FROM IN-DEPTH PERSONAL INTERVIEWS,
TELEPHONE INTERVIEWS, PUBLIC MEETINGS AND WRITTEN COMMENTS**

A. Introduction and Background..... J-2

B. Background on the Businesses in Oregon J-5

C. Economic Conditions Affecting the Transportation Contracting Industry in Oregon.... J-19

D. Public and Private Sector Transportation Contracting in Oregon J-27

E. Doing Business as a Prime Contractor or as a Subcontractor..... J-36

F. Keys to Business Success and Any Barriers in the Way J-46

G. Experience Doing Business with Public Agencies Including Oregon Department
of Transportation..... J-61

H. Allegations of Unfair Treatment J-96

I. Information Regarding any Racial-, Ethnic- or Gender-based Discrimination J-102

J. Insights Regarding Business Assistance Programs, Changes in Contracting
Processes or Any Other Neutral Measures..... J-117

K. Insights Regarding DBE/MWESB Programs and Other Related Race- and
Gender-based Measures J-147

L. DBE and MWESB Certification J-166

M. Any Other Insights and Recommendations for ODOT J-174
